PROFILE

First-year Computer Science Engineering student with a strong academic record (SGPA 9.53) and a solid foundation in computational logic and programming fundamentals. Actively building skills across C, C++, Python, Java, and web development while engaging with student tech communities and entrepreneurship events. Looking to apply analytical thinking and a growth mindset to internships and project work, with a long-term goal of moving into technical leadership.

EDUCATION

Heritage Institute of Technology B.Tech in Computer Science & Engineering (affiliated to MAKAUT) • 1st Year • SGPA: 9.53	2025 – 2029
Palaspai Anchal Ramkrishna Vidyamandir Higher Secondary (Class XII), WBCHSE — Science (PCMB) • 93%	2024
Palaspai Anchal Ramkrishna Vidyamandir Secondary (Class X), WBCSE • 94.5%	2022

SKILLS

Languages: C, C++, Python, Java

Web Development: HTML, CSS, JavaScript

Currently Learning: Data Structures & Algorithms, Computer Science Fundamentals

Tools: Git, GitHub, VS Code

PROJECTS

Personal Portfolio Website

- Designed and built a responsive single-page portfolio to showcase academic progress, skills, and projects.
- Implemented with HTML, CSS, and JavaScript, focusing on clean layout and smooth navigation.

Simple CLI Calculator

- Built a command-line calculator in Python to practice core syntax, control flow, and clean input/output handling.

Student Database Mini-Project

- Developed a small CRUD-style application in Java for managing student records, exploring file I/O and basic data modeling.

ACTIVITIES & CERTIFICATIONS

- Participated in WELCOME.YML, organized by the ACM HITK Student Chapter (2025).
- Attended E-SUMMIT 2025, organized by the Entrepreneurship Development and Innovation Cell.
- Participated in a Quiz Competition at DAKSH HITK (2026).
- Participated in a Valorant gaming event at DAKSH HITK (2026).
